

人派系統/差勤系統/辦訓系統重新啟動步驟

1. 登入 <https://member3-3.smarterasp.net/account/loginform?go=1>

The login form features a blue circular icon with a white silhouette of a person's head and shoulders. Below the icon are three input fields: '用戶名' (Username), '密碼' (Password), and a language dropdown menu currently set to '繁體中文'. Under the password field, there are two links: '忘記密碼' (Forgot Password) and 'Stay Logged-In'. Below these is a security code section with the text 'Enter Security Code:', a small input box, and the code '6884' in red. At the bottom is a large blue button labeled '登陸' (Login).

2. 點擊「登陸主機控制面板」

The interface shows a section titled '我的主機帳戶' (My Host Account) with a sub-header '管理單個或多個帳戶'. A green button '+ 添加新的主機帳戶' is in the top right. Below, a card for 'thinkyu-001 (Advance Plan)' is shown, with the domain 'thinkyustaff.com' and an expiration date of 'May 12, 2021'. A blue button '登陸主機控制面板' is highlighted with a red rectangle. At the bottom right, there are links for '續費主機帳戶', '升級', and '查看產品信息'.

3. 點擊「管理網站」

The interface shows a section titled '我的網站' (My Websites) with a sub-header '已用存儲空間: 4905.47 MB | 帶寬: 613.46 MB | 文件數量: 7321'. Green and blue buttons '+ 新建站點' and '+ 子域名' are in the top right. Below, a card for 'thinkyu' is shown, with the domain 'thinkyu-001-site1.btempurl.com, thinkyustaff.com' and a file path 'h:\root\home\thinkyu-001\www\thinkyu'. A button '管理網站' is highlighted with a red rectangle. At the bottom right, there are links for '開啟IIS詳細錯誤', '獲取IP', '顯示 FTP 信息', and '顯示 WebDeploy 信息'.

4. 點擊「創建 .NET 應用程序」

5. 開啟再關閉對應系統的「詳細錯誤」

6. 完成
